

Nomination for Ramanujan Fellow/DST-Inspire Faculty

Centre for Nano and Soft Matter Sciences (CeNS), a premier research institution under the aegis of the Department of Science and Technology, GoI invites applications (year-round) from Indian nationals seeking nomination for applying to [Ramanujan Fellowship](#) or [DST-Inspire Faculty Fellowship](#). If awarded, the Centre will provide necessary administrative and basic R&D infrastructure support for the fellowship duration; the rest of the terms will follow the fellowship norms. The Centre will be under no obligation to offer regular positions to the Fellows.

Highly motivated candidates with consistent track records in their respective disciplines (Chemistry, Material Science and Physics) who complement ongoing research programs of CeNS or bring novel expertise or research perspectives are invited to apply. Successful candidates are expected to develop and maintain an active independent research program, mentor master's and PhD students jointly with regular faculty member and contribute to teaching and outreach activities of CeNS.

Eligibility:

Ph.D. in relevant areas with at least 2 years of post-doctoral experience, high-quality publications, and strong academic credentials.

Selection Criteria:

Candidates will be selected based on seminars and interactions with faculty members. Selected candidates will be provided with a host institution endorsement/sponsorship certificate.

How to apply:

Please send the following documents as a single PDF file to careers@cens.res.in

- Curriculum vitae
- Completed fellowship application. Please include a detailed statement of your future research program.
- PDFs of three most significant publications), with a brief statement of their impact.
- A statement of teaching interests that details what courses you would like to teach, any prior teaching experience, and any other relevant information.
- Patent registered/filed (If any).
- Name and contact information of at least three referees.
